~~Designer~~

Pourquoi ce Labs ?

Vous faire pratiquer et progresser

Vous faire découvrir de nouvelles choses

Vous partager de bonnes pratiques

Vous pousser à expérimenter

knocktounlock.com

Focus intégration

HTML = Structure des données

CSS = Mise en forme

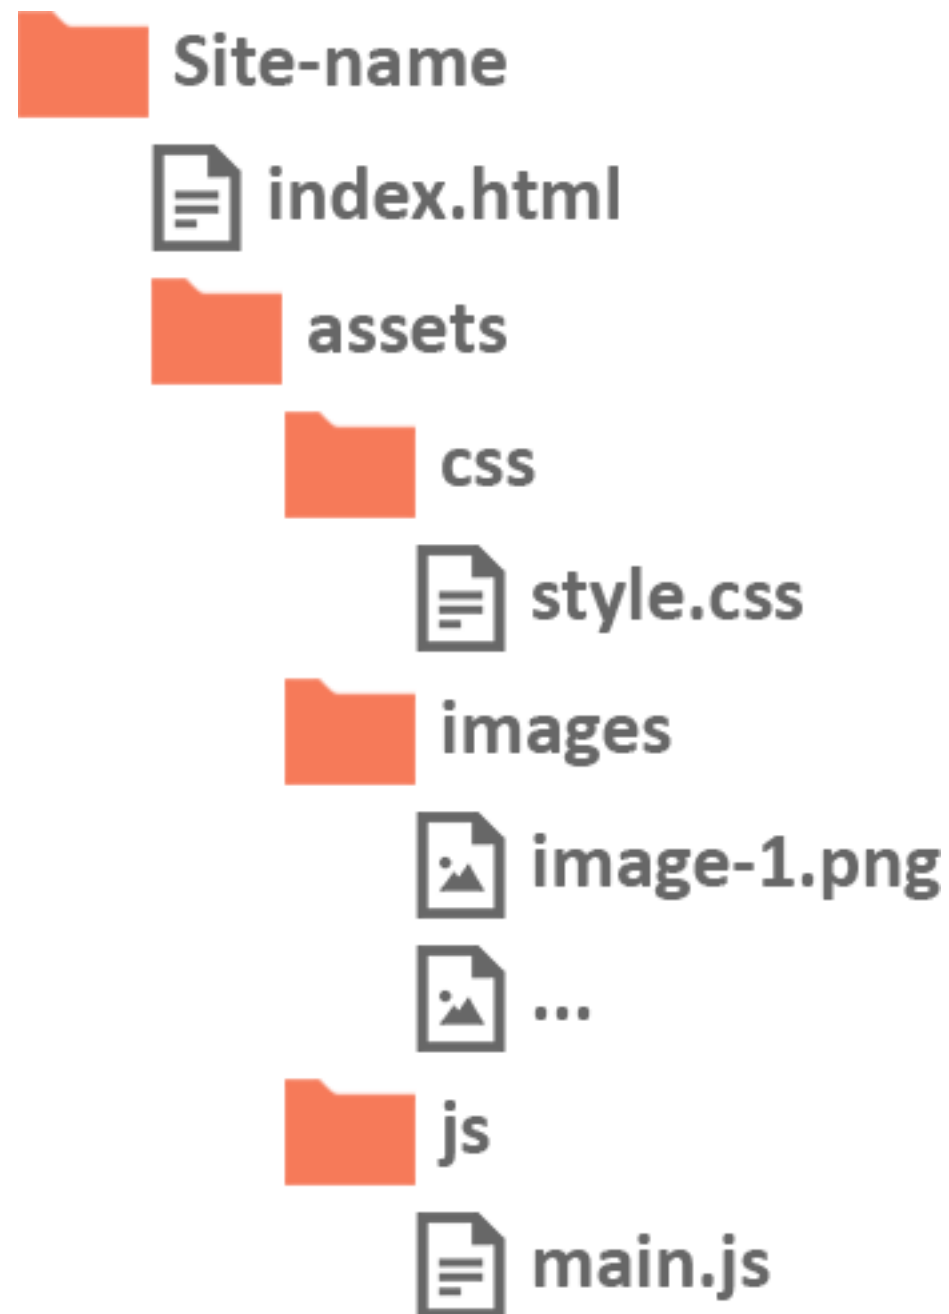

Base

Javascript = Interaction

Toujours utiliser un "reset CSS"

HTML5, oubliez le XHTML 1.0

Organisation

Pratique

WEB & UI DESIGNER

 [Contact me](#)

Hi there and welcome to my **portofolio** website. My name is **Gil t** and I'm a **web and user interface designer**. I live in a small country called Belgium. Design is always been a passion for me. I like clear design that iis based on user experience. Besides Design I have second passion. That passion is skateboarding. I also enjoy hip hop music.

Merci
